Dear Friend,

I wanted to take a moment to thank you for supporting the law enforcement community throughout the years. The Law Enforcement Officers Relief Fund was formed in the hopes of providing financial assistance to law enforcement officials and their families in times of crisis resulting from disasters, violence, or injury. To raise funds for the men, women, and families of those who serve and protect, the Law Enforcement Officers Relief Fund has ordered a limited number of special limited edition collector's coins. These coins sell for \$20 each. The proceeds from these coins will benefit the organization and allow us to assist officers when they need it the most. The Law Enforcement Officers Relief Fund is a non-profit charitable corporation organized and operated exclusively for charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, (or corresponding provisions of any future United States Internal revenue Code). You won't want to miss out on the opportunity to own one of these unique and beautiful coins. If you would like to make a difference even without the purchase a coin, you can also visit www.leorf.org to donate to the Law Enforcement Officers Relief Fund.

Again, thank you for your continued support on behalf of all the officers and families for whom we provide assistance.

Fraternally Yours,

Sam A. Cabral
