

C.O.P.S. Surviving to Thriving Conference

January 18-21, 2024

Grapevine, Texas

C.O.P.S. is excited to offer a new, fun, and uplifting conference style event to **ALL SURVIVORS!** For the first time ever, the “Surviving to Thriving” Conference invites survivors to come together, regardless of survivorship, to participate in informational life sessions, interactive experiences, and activities that bring challenge and laughter! Most importantly, the bonds of peer support will be evident!

This conference does not replace the FREE Hands-On Programs available to survivors. This is an additional opportunity for survivors to connect with their family, blood AND blue!

Who's invited? YOU! This conference is for all surviving family members, co-workers, and supporters of C.O.P.S. Please note there is no Daycare or Kids Program for children under the age of 15. (Children aged 15-17 must be accompanied by an adult.) A special Leadership Program is available for attendees aged 15-20, empowering them to get involved with C.O.P.S. for years to come.

Where are we going?

Grapevine (TX) is just outside of Dallas/Fort Worth. Events will take place at the Hilton DFW Lakes Executive Conference Center.
